

GO BEYOND AT HOME!

Spring is just around the corner and hopefully this means we will get better weather so that we can get outdoors and explore. Going outdoors for a walk around your local area is a great way to boost your mood and to enjoy your local surroundings. To make a walk more interesting, you could add a fun challenge to it and make the walk a Scavenger Hunt!

See below for a range of different Scavenger Hunt ideas that you could use on your next walk around your local area and if the weather isn't very good – try the Scavenger Hunt around your house!

- A- Z Scavenger Hunt – Can you find different things that start with the different letters of the alphabet in an alphabetical Scavenger Hunt? What could you find that begins with X, Y or Z?
- Nature Scavenger Hunt – Can you find different natural things in your local area? Natural items to look out for could be different types of leaves and trees, different animals, berries, birds, feathers, rocks etc. You could add to the challenge of this Scavenger Hunt by drawing the different natural things that you see on your exploration.
- Colours Scavenger Hunt – Can you find something of every colour in your local area or house?
- Shapes Scavenger Hunt – Can you find different shapes around your local area? Good places to look to find the different shapes are signs, windows, doors, buildings and vehicles.

Have fun on your Scavenger Hunts! ☺
